Ms. Humbarger:

This is to acknowledge your May 1, 2018 request. In response to your first request, the ISDH has not received any new abortion clinic applications from February 20, 2018 to today's date, May 4, 2018. Regarding your second request, I have compiled all documents I believe to be responsive and the documents are currently undergoing review. Today is my last day at the ISDH. Please reach out to Randy and Matt for future updates on this request.

Thank you,

Adrienne
